Amanda,

I've attached OPP's responses to OGC's comments on the NEJAC document. The Antimicrobials Division responded to OGC's comments on EtO and Carolyn Schroeder responded to the WPS and C&T comments. Please note Carolyn's comments on page 6 in the document where she rejects the edits/comments to the bullet under **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) She reached out to OECA for their feedback and is still waiting to hear back from them. Once she hears back, we'll pass along their response to this comment.

Subject: Request Review/Final Revisions by Noon, Thursday, September 2nd (Tomorrow)- Review OGC comments on NEJAC Responses
Importance: High

Good morning Darlene and Alison,

Sorry about the quick deadline, but the good news is we have all already approved this document – we just need to review/address OGC's comments which I think will be something we can resolve quickly. Attached is the latest draft of OCSPP's responses to the NEJAC letters – this language will be used to populate letters from the Administrator to the NEJAC. Please recall, this language has already been approved by Office Directors and Senior Leadership – including Michal.

Can you please provide me final program feedback/revisions by Noon on Thursday, September 2nd (tomorrow) in track changes? Please let me know if you have any questions or request assistance. Given the due date and the holiday, we are all working with a tight turnaround time.

OPPT, please review pages 1-3, 8-16, 20.

OPP, please review pages 3-8, 16-20.

Timeline

- Final program edits due at Noon, Thursday, September 2nd to Amanda
- Amanda to revise and submit for final reviews that afternoon
- Obtain final approval from IO
- Monday is the holiday (Sept. 6)
- Amanda to submit on September 8th

Thank you,

Amanda
